Mr. Clyde May;
ASNT Director at Large

ASNT Strategic Plan 2022 - 2026

The Six Pillars

1. **Expand and improve** our certification portfolio.
2. Improve **membership value** by providing essential content and engagement experiences.
3. **Create pathways** and resources for the entry, performance, and advancement of the nondestructive testing workforce.
4. Advance the nondestructive testing field by being an **effective advocate**.
5. Implement a **regional growth** strategy.
6. Establish and fund a **research agenda**.

EBC Audit

A photograph of an offshore oil rig at dusk. In the foreground, the back of a worker wearing a white hard hat with a headlamp and an orange safety vest is visible. The rig's complex structure of yellow steel beams and pipes extends across the frame. In the background, several large white cylindrical storage tanks are illuminated. A flare on the right side of the rig is burning, emitting a bright orange flame. The sky is a deep blue, and the ocean is visible in the distance.

ISQ Program

A man with a beard, wearing a white hard hat and a light blue button-down shirt, is standing in a factory or industrial setting. He is holding a laptop and looking towards the right. The background shows industrial equipment, pipes, and overhead lights.

Note 1: The Secretary/Treasurer position transitions to separately appointed Secretary and Treasurer positions effective July 1, 2022. If the appointees are not Directors at large, they will not serve on the Board of Directors.

Note 2: The President of ASNT Certification Services LLC and the Immediate Past Chair of ASNT serve ex officio (by virtue of their positions) as voting members of the ASNT Board of Directors. The Executive Director serves ex officio as a non-voting member of the ASNT Board of Directors.

Note 3: Beginning June 30, 2022, the Board will transition to electing 5 Directors at large annually resulting in 15 Directors at large beginning in 2024.

Note 4: Advisory Groups are new bodies appointed by the Chair of the Board. They do not have any governance or program responsibilities; they only provide advice and counsel to the Officers and/or Directors.

Note 5: ASNT Certification Services LLC is a subsidiary corporation owned and operated by ASNT, Inc. It manages ASNT's certification and accreditation programs and is governed by an independent Board of Managers which is appointed by ASNT's Board of Directors.
