

Innovation in NDT Award

Submission Form

Innovation in NDT Award

Entries for the INNOVATION IN NDT AWARD require a complete nomination package that includes this entry form, graphics as detailed on page 4, and may include a cover letter. Entries are due electronically to the NDTMA Executive Director at marybeth@ndtma.org by 5:00 PM Eastern Time, October 1 each year.

ABOUT THE AWARD

This award may be made annually to an **NDTMA member company** or program / project (group of companies with a minimum of one NDTMA member company lead) in recognition of creativity in the form of innovative use of an NDT technology. Projects may be any that demonstrate innovation in the form of utilizing an established NDT method or technology in a new way or the creation of a new technology or type of NDT method. Innovation means new approaches, new techniques and results. The innovation should have broad impact on the NDT world. The innovation should have been established in the last five (5) years.

REQUIREMENTS

Programs can be entered if they meet the following requirements. Identify your project by checking the appropriate box and attesting to its eligibility:

PROJECT TYPE

Demonstrates innovation which utilizes an established NDT method or technology in a new way; OR

Consists of the development of a new NDT technology or new type of NDT method
