Member Company Awards

NDTMA ADVOCACY COMPANY OF THE YEAR AWARD

This award may be made annually to an NDTMA member company or program (group of companies with a minimum of one NDTMA member company lead) in recognition of **efforts to raise the awareness of NDT to those outside of the industry.** Program may be any that involve bringing NDT awareness to schools, high school science teachers, guidance counselors, as well as programs that bring more people into the NDT industry. The project or program should have broad impact on the NDT world. The program should have been active during the year preceding the nomination.

Applications Due October 1, 2023

Member Company Awards

NDTMA INNOVATION IN NDT AWARD

This award may be made annually to an NDTMA member company or project (group of companies with a minimum of one NDTMA member company lead) in recognition of **creativity in the form of innovative use of an NDT technology**. Projects may be any that demonstrate innovation in form of **utilizing an established NDT method or technology in a new way or the creation of a new technology or type of NDT method**. Innovation means new approaches, new technique and results. The innovation should have broad impact on the NDT world. The innovation should have been established in the last five (5) years.

Applications Due October 1, 2023
